

office, or commercial lending company subsidiary under this section, the Board shall request and consider the views of the relevant state supervisor.

(d) *Termination procedures*—(1) *Notice and hearing*. Except as otherwise provided in paragraph (d)(3) of this section, an order issued under paragraph (a)(1) of this section shall be issued only after notice to the relevant state supervisor and the foreign bank and after an opportunity for a hearing.

(2) *Procedures for hearing*. Hearings under this section shall be conducted pursuant to the Board's Rules of Practice for Hearings (12 CFR part 263).

(3) *Expedited procedure*. The Board may act without providing an opportunity for a hearing if it determines that expeditious action is necessary in order to protect the public interest. When the Board finds that it is necessary to act without providing an opportunity for a hearing, the Board, solely in its discretion, may provide the foreign bank that is the subject of the termination order with notice of the intended termination order, grant the foreign bank an opportunity to present a written submission opposing issuance of the order, or take any other action designed to provide the foreign bank with notice and an opportunity to present its views concerning the order.

(e) *Termination of federal branch or federal agency*. The Board may transmit to the Comptroller a recommendation that the license of a federal branch or federal agency be terminated if the Board has reasonable cause to believe that the foreign bank or any affiliate of the foreign bank has engaged in conduct for which the activities of a state branch or state agency may be terminated pursuant to this section.

(f) *Voluntary termination*. A foreign bank shall notify the Board at least 30 days prior to terminating the activities of any office. Notice pursuant to this paragraph is in addition to, and does not satisfy, any other federal or state requirements relating to the termination of an office or the requirement for prior notice of the closing of a branch pursuant to section 39 of the FDI Act (12 U.S.C. 1831p).

#### **§ 211.26 Examination of offices and affiliates of foreign banks.**

(a) *Conduct of examinations*—(1) *Examination of branches, agencies, commercial lending companies, and affiliates*. The Board may examine any branch or agency of a foreign bank, any commercial lending company or bank controlled by one or more foreign banks or one or more foreign companies that control a foreign bank, and any other office or affiliate of a foreign bank conducting business in any state.

(2) *Examination of representative offices*. The Board may examine any representative office in the manner and with the frequency it deems appropriate.

(b) *Coordination of examinations*. To the extent possible, the Board shall coordinate its examinations of the U.S. offices and U.S. affiliates of a foreign bank with the licensing authority and, in the case of an insured branch, the Federal Deposit Insurance Corporation (FDIC), including through simultaneous examinations of the U.S. offices and U.S. affiliates of a foreign bank.

(c) *Frequency of on-site examination*—(1) *General*. Each branch or agency of a foreign bank shall be examined on-site at least once during each 12-month period (beginning on the date the most recent examination of the office ended) by:

- (i) The Board;
- (ii) The FDIC, if the branch of the foreign bank accepts or maintains insured deposits;
- (iii) The Comptroller, if the branch or agency of the foreign bank is licensed by the Comptroller; or
- (iv) The state supervisor, if the office of the foreign bank is licensed or chartered by the state.

(2) *18-month cycle for certain small institutions*—(i) *Mandatory standards*. The Board may conduct a full-scope, on-site examination at least once during each 18-month period, rather than each 12-month period as required in paragraph (c)(1) of this section, if the branch or Agency:

- (A) Has total assets of \$250 million or less;
- (B) Has received a composite ROCA supervisory rating (which rates risk management, operational controls,

(C) Satisfies the requirement of either the following paragraph (c)(2)(i)(C) (1) or (2):

(1) The foreign bank's most recently reported capital adequacy position consists of, or is equivalent to, Tier 1 and total risk-based capital ratios of at least 6 percent and 10 percent, respectively, on a consolidated basis; or

(2) The branch or agency has maintained on a daily basis, over the past three quarters, eligible assets in an amount not less than 108 percent of the preceding quarter's average third party liabilities (determined consistent with applicable federal and state law) and sufficient liquidity is currently available to meet its obligations to third parties;

(D) Is not subject to a formal enforcement action or order by the Board, FDIC, or OCC; and

(E) Has not experienced a change in control during the preceding 12-month period in which a full-scope, on-site examination would have been required but for this section.

(ii) *Discretionary standards.* In determining whether a branch or agency of a foreign bank that meets the standards of paragraph (c)(2)(i) of this section should not be eligible for an 18-month examination cycle pursuant to this paragraph (c)(2), the Board may consider additional factors, including whether:

(A) Any of the individual components of the ROCA supervisory rating of a branch or agency of a foreign bank is rated "3" or worse;

(B) The results of any off-site surveillance indicate a deterioration in the condition of the office;

(C) The size, relative importance, and role of a particular office when reviewed in the context of the foreign bank's entire U.S. operations otherwise necessitate an annual examination; and

(D) The condition of the foreign bank gives rise to such a need.

(3) *Authority to conduct more frequent examinations.* Nothing in paragraphs (c) (1) and (2) of this section limits the authority of the Board to examine any
